

CERTIFICATE

Esquiroz, 07 of February 2013

TUTTIPASTA S.A. certifies that all the products supplied:

- **Do not contain any other type of meat different to the ones declared in the technical sheets or in the labelling.**

Tutti Pasta asks to all of our meat suppliers a certificate that identifies that the specie and the variety is the one that is identified in their technical sheet and labelling. Furthermore, we do timely realize and ask DNA analysis.

I hereby confirm, where it must be needed, and is used accordingly, this certificate:
